Copy of Letter No.12861 M.II/48-3, dated the 14th February 1948, from the Secretary to Government of Madras, Development Department, Madras, to the Secretary to the Government of India, Ministry of Industries and Supplies, New Delhi.

Sub: Textiles - Handloom cloth - Inter-Provincial Movement - Lifting of Provincial restrictions.

Ref: Mr. Teckchandani's express letter No.101/6 Tex.1/48, dated 28--1--1948.

I am directed to state that this Government is regulating the transport of handloom cloth to other provinces and states in India under the Madras Cotton Cloth and Apparel (Control) Order, 1946. In view of this Province's special needs of handloom cloth produced locally, the shortage of mill goods and the great demand in other provinces and places including Pakistan for Madras handloom goods, this Government cannot agree to complete freedom of inter-provincial movements. Further, complete abandonment of the system of permits will leave this Government with no machinery to assess quantities going out of the Province, while such a machinery is being retained by the Textile Commissioner in respect of mill cloth by the provision that movements have to be sanctioned by him. I am, however, to say that this Government are following a very liberal policy in regard to transport of handloom cloth from this Province to other Provinces and will still further increase the quantity for export if circumstances warrant.
